The Divisional Commissioner
Kashmir/Jammu

Sub: **WEATHER ADVISORY FOR 7-9TH JULY.**

Under the influence of Monsoon winds & Western Disturbance, Widespread Moderate to Heavy rain with thundershower/lightning is expected in Jammu & Kashmir during 7- 9th July with main activity on 8-9th.

Some places in Jammu Division very likely to receive heavy to very heavy rain whereas heavy rain is also likely at some places of Kashmir Division during above period and decrease thereafter gradually.

Probable impacts

1. Likely to affect Sri Amarnathji Yatra.
2. Sharp rise in water levels of rivers, local Nallahs leading to flash floods, water logging. May cause Landslides, shooting stones and mudslides at vulnerable places
3. May lead to disruption of surface transportation mainly on Jammu- Srinagar National Highway, Zojila Pass, and other major hilly roads
4. Sharp Dip in day temperature
